New League Operators

As of Nov 19, Jamey & Beverly Gray have purchased the Northeast Mass APA pool league. Jamey and Beverly have decades of experience with the APA having played in the CT area. Jamey has been playing pool all his life. He has won a World Trick Shot Championship, has appeared on ESPN, Comcast Sports, several national magazines and local news programs.

Having been players themselves, Jamey and Beverly are committed to providing the best player experience possible. Their first priority is to make sure they are accessible to all players. Don't be surprised to see them drop by during league play.

Tips and Tricks

A consistent pre-shot routine will help improve your game. If you watch the pros play, you will notice this. For example; before every shot, walk around the table, re-evaluate your next shot, commit to your shot, get down on your shot, stay down on your shot through the whole shot, then evaluate your results. Repeat.
