Coach's Sports Bar in Haverhill is starting a double-jeopardy division on Thursday nights, to start January 30th! There is room for more teams in the division, so please contact Beverly if you would like to participate, or tell your friends in the area about the chance to get in on the beginning of a new division!

NEW SESSION

Thank you to everyone for your patience during these first few weeks of the Spring Session. As you know, we allow new teams to join until the end of week 4. However, this often causes a delay in the delivery of your paperwork, as it is extremely time consuming to rework the schedules for a number of divisions. Also, a holiday and/or snowstorm effects the mail, which sometimes makes it impossible for us to count on the postal service to deliver your paperwork on time. In such cases, we will be sure to deliver your paperwork to the location where you will be playing before your match begins. In the event of a schedule change, we will call the team captain to ensure the team is updated.

TEAM FILLS

We have players looking to join teams in many areas. If you are struggling to fill your roster, contact Beverly in the the office and we will try to help you out.

BRAND NEW PLAYERS

New male players will start at SL:4 and new female players will start at SL:3. If a player has an established handicap in another format then they will start at that skill level in the new format. If a player is returning and you need to question a player number and skill level, please call the office. Our new office hours extend through the begining of all scheduled match times.

NEW PLAYER WELCOME

The League would like to welcome our newest members who have just played their 1st official APA matches.
