THIS IS THE 4TH WEEK OF PLAY

All unpaid players will be dropped from your roster after this week of play is entered.

Please make sure you pay all your memberships this week. You have until the 7th week to make roster changes but anyone you add must be paid the week you add them from this point on. We also need complete information on all players which includes date of birth, address and phone number.

Don't forget you can also renew online if you prefer to use a credit card. This is also good for getting in your last minute payments.

LOOK AT US GROW

It looks like all of our hard work is paying off. We have been working very hard getting feedback from the players, visiting teams and host locations, developing a better Rep program, enhancing the player experience with more communications, answering phones all hours of the day to handle concerns quickly and taking pride in keeping our promises. Thank you for all your support and introducing new players to the league.

The League would like to welcome our newest members who have just played their 1st official APA matches this past week.
