## NEW SESSION REMINDERS

- 1) It is not too late to get new teams into the Spring Session. We have several Byes in different divisions that need to be filled. If you know of any teams that want to join the APA please contact the office.
- 2) Because we are adding teams through the first 4 weeks of play it is very important to pay close attention to any schedule changes. As we make changes we will contact all the effected teams captains for the following week.
- 3) You can add and drop players from your rosters through the first 4 weeks. After the first four weeks you must get approval from the office. Notify the opposing team captain of any roster changes before the start of play. If you are looking for players please contact the office as we do have players contacting us looking for teams.
- 4) New players are required to pay their \$25 membership fee before they play their first match. If the have not played by the forth week they will be dropped from the roster.
