NEW SESSION REMINDERS

- 1) It is not too late to get new teams into the Fall Session. We have several Byes in different divisions that need to be filled. If you know of any teams that want to join the APA please contact the office.
- 2) Because we are adding teams through the first 4 weeks of play it is very important to pay close attention to any schedule changes. As we make changes we will contact all the effected teams captains for the following week.
- 3) You can add and drop players from your rosters through the first 4 weeks. After the first four weeks you must get approval from the office. Notify the opposing team captain of any roster changes before the start of play.
If you are looking for players please contact the office as we do have players contacting us looking for teams.
- 4) New players are required to pay their \$25 membership fee before they play their first match. If the have not played by the forth week they will be dropped from the roster.

BONUS POINTS CLARIFICATION

It is extremely important that we get the results of your match in the office quickly. This is the only way we can make sure your following week's paperwork gets sent out with complete standings information and accurate skill levels. Three bonus points will be awarded to 8-Ball teams, 1 for getting your scoresheet to us on time, 1 for having it completely filled out, and 1 for prompt payment. 20 Points will be awarded to 9-Ball teams who mail their score sheets postmarked the day following play. We will be given a 1 day grace period if you get your paperwork to us electronically the next day. Here is how easy it is to avoid these penalties.

Fax it to: **978-710-6502**

Scan it and E-mail it to:

Does someone on your team have a **cell phone**? Just take a picture of it and e-mail it to us when you are finished playing. That was easy!
