**QUESTION:** If four balls don't hit a rail on the first three attempts at breaking, does the break then go to the opposing team player?

**ANSWER:** No. If the rack is struck, but the break does not qualify as legal, the balls are re-racked and re-broken by the same player. If the rack is struck, but the break does not qualify as legal but results in a scratch, the balls are re-racked and broken by the opposite player.
